

# PMRExpo 2026

powered by PMeV

Leading European Trade Fair  
for Secure Communication

24 – 26 November 2026  
Cologne, Germany

## The next step for your start-up

You develop technologies or services for **mission- and business-critical Secure Communication**? Then your start-up is just right at PMRExpo.

Here you will meet decision makers from authorities and organisations with security tasks, critical infrastructures and industry - precisely those participants that are looking for future-oriented solutions. In the **Start-up Area**, you present your company at a central location, generate qualified leads and gain access to new business possibilities.

### Good reasons for your participation:

- Positioning in the highly specialised environment of Secure Communication
- More than 6,000 international trade visitors as potential for new business opportunities
- Exclusive insights into market and technology trends – at the PMRExpo Summit, in the Connecting Area and at the Hackathon@PMRExpo
- Networking and business opportunities with decision makers from emergency services, critical infrastructures, industry and the tech sector

€ 2,990.00  
(plus VAT)

### Your start-up package

- ✓ Complete stand incl. branding in the start-up area
- ✓ Complete assembly and dismantling
- ✓ Service package (electricity, cleaning, etc.)
- ✓ Marketing package
